WHAT YOUR SUPPORT MEANS

As we work to ensure that our National Teams are in the best place possible to help their dream of a gold medal come true, we are also working to make sure the financial costs don't overshadow their preparation.

In the past, players have had to shoulder the entire cost of the games, traveling, accommodations, camps, equipment, and uniforms. This time around, we are trying to lessen their burden so that everyone who is capable of representing our country can play regardless of their financial situation.

WHAT YOUR SUPPORT MEANS

In way of example, this is what your support could mean for one of our national teams:

- \$100,000 will cover flights, accommodations, and camps for every player and staff member
- \$25,000 will cover all of the players' flights
- \$5,000 will cover the costs of an entire training camp for all players
- \$4,000 will cover the cost of the players uniforms for the championships
- \$3,000 will cover the cost of our rink time for a camp
- \$1,000 will cover the cost of one day of camp
- \$500 will cover the cost of players' lunches for a camp
